Assistant Commissioner
of Patents
Washington, D. C. 20231

Sir:

I, RONALD A. KATZ, residing at Los Angeles, California,
represent that I am the President of A2D Corporation, a
California corporation, which corporation is a general partner of
A2D, L.P., a California limited partnership, which limited
partnership is a general partner of RONALD A. KATZ TECHNOLOGY
LICENSING, L.P., a California limited partnership, the assignee
owning all of the interest in this application, and by virtue of
the foregoing relationships I execute this document on its
behalf.

The Assignment of this application to RONALD A. KATZ

I have reviewed the foregoing documents and hereby certify that, to the best of my knowledge and belief, title to the subject matter of this application is in RONALD A. KATZ TECHNOLOGY LICENSING, L.P.

No disclaimer is being made as to any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term as defined in 35 USC 154 to 156 and 173 of United States Patent No. 4,845,739, as presently shortened by any terminal disclaimer, in the event that

it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims cancelled by a reexamination certificate, is reissued in any matter or is otherwise terminated prior to expiration of its full statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of this application and any patent issuing thereon.
